- 5) Write a check twenty minutes later and leave with the confidence that your vehicle has been properly maintained.

## 47 Easy Oil Change steps for men:

- 1) Wait until Saturday. Drive to auto parts store and buy a case of oil, filter, kitty litter, hand cleaner and a scented tree. Write a check for \$50.
- 2) Stop by the liquor store and buy a case of beer. Write a check for \$20. Drive home.
- 3) Open a beer & drink it.
- 4) Spend thirty minutes looking for jack stands.
- 5) Find jack stands under kids pedal car.
- 6) In frustration open another beer and drink it.
- 7) Place drain pan under engine.
- 8) Look for 9/16 box wrench.
- 9) Give up and use a crescent wrench.
- 10) Drop drain plug in pan of hot oil: splash hot oil on face & arms in process. Cuss.
- 11) Crawl out from under car to wipe oil off face and arms.
- 12) Throw kitty litter on spilled oil.
- 13) Have another beer while watching oil drain.
- 14) Spend thirty minutes looking for oil filter wrench.
- 15) Give up; crawl under car & hammer a screw driver through filter & twist off.
- 16) Crawl out from under car with dripping oil filter splashing oil everywhere from holes. Cleverly hide old oil filter in trash can to avoid environmental penalties.
- 17) Drink a beer.
- 18) Buddy shows up; finish case of beer with him. Decide to finish oil change tomorrow so you can see his new garage door opener work.
- 19) Skip church because "I gotta finish the oil change."
- 20) Drag pan full of old oil out from underneath car.
- 21) Cleverly dump oil in hole in back yard instead of taking it to John's to have them recycle it.
- 22) Throw kitty litter on oil spill from step sixteen.
- 23) Beer? No drank it all yesterday.
- 24) Walk to liquor store – buy beer.
- 25) Install new oil filter making sure to apply a thin coat of oil to seal.
- 26) Dump first quart of new oil in engine.
- 27) Remember drain plug from step ten.
- 28) Hurry to find drain plug in pan.
- 29) Remember that the used oil is buried in a hole in the back yard along with the drain plug.
- 30) Drink beer.
- 31) Shovel out hole and sift oily mud for drain plug. Re-shovel oily patch of ground and avoid environmental penalties.
- 32) Wash drain plug in lawn mower gas.
- 33) Discover that the first quart of oil is now on the floor.
- 34) Throw kitty litter on spill.
- 35) Drink beer.
- 36) Crawl under car getting kitty litter into eyes.
- 37) Wipe eyes with oily rag used to clean drain plug.
- 38) Slip with stupid crescent wrench tightening drain plug banging knuckles on frame.
- 39) Bang head on floorboards in reaction to step 38.
- 40) Clean up hands and forehead bandage as required to stop blood flow.
- 41) Beer
- 42) Beer.

- 45) Lower car from jack stands.
- 46) Accidentally crush remaining case of new motor oil.
- 47) Buy more kitty litter.

\*\*\* Attention – John's Auto Repair does not approve of the waste disposal methods demonstrated in this humorous scenario. We encourage everyone to recycle as much as possible. We actually burn all of our waste oil in a clean burn furnace to heat our shop during the winter months. Thanks to the customer that sent us this lesson for the do it yourselves.
